kindly sponsored by

The Hygienic Study Award was founded in 2009 to honor an upcoming generation of researchers and scientists as well as to promote science and research in the field of hygienic processing.

The Hygienic Study Award honors innovative, high-quality diploma, bachelor's, master's and PhD's theses as well as studies in the field of

- hygienic design of machinery and equipment
- optimum use of materials and material surfaces under hygienic aspects
- The general field of fouling and cleaning of food-related materials, food contact materials, tailored surfaces and attachment of microbial species or related issues

The submitted works should not be older than two years and will be evaluated by an international jury.

**Participation is free of charge.**

You are welcome to submit your study or thesis until 30 June 2018 with the chance to win an attractive remuneration, which is kindly funded by VDMA – Verband Deutscher Maschinen- und Anlagenbau e.V. (German Engineering Federation).

<b>1<sup>st</sup> prize:</b>	<b>€ 1000</b>
<b>2<sup>nd</sup> prize:</b>	<b>€ 500</b>
<b>3<sup>rd</sup> prize:</b>	<b>€ 250</b>

The winners of the Hygienic Study Award will be honored during an awards ceremony on occasion of the **EHEDG World Congress on Hygienic Engineering & Design 2018**, 21 to 22 November 2018 in London, see [www.ehedg-congress.org](http://www.ehedg-congress.org).

Upon kind invitation of EHEDG, the awardees will have free admission to the congress and will be reimbursed for their travel and accommodation expenses.
